

A warm, cozy interior scene with a lit candle, glasses, and a bowl of nuts. The background is softly blurred, showing a lit candle in a glass holder, two glasses, and a bowl of nuts. The foreground features a white bowl filled with nuts, a few scattered nuts on the table, and a ceramic vase with dried flowers. The overall atmosphere is warm and inviting.

# Inspiration guide for BUSINESSES

# 2021

The new year has started and, especially this year, it's important to care about your employees. How do you show your appreciation for their effort and hard work? Or how do you surprise your customers as a boost for new relationships?

We, as gift experts, know how to surprise your employees and customers. We are more than glad to help you by inspiring gifts and tips on how to motivate your employees and customers to start the new year well.

# Enjoy!

## PRINCESS CABIN SIZE SUITCASE

Last year, we couldn't travel a lot, hopefully 2021 will be better. Surprise your employees with a personalized suitcase to keep up the good vibe! You really want to impress them? Add a nice and positive message! Think about the Bucketlist book for travelling with a few days of Holiday extra.

- Provide us with your design
- With 4 swivel wheels and combination lock
- Suitable as hand luggage

## GLASSES

Beautiful glasses are always a good gift. Surprise your business relations with a set of glasses, so they will be able to join the (digital) Friday afternoon drinks. Fun and Corona proof.

- Option to personalise each glass with a different name
- Would you like to add your logo to the glass? No problem!

[View this gift >](#)

# Tip

How do you surprise your employees with a nice gift?

*It's very likely that you don't meet each other in the office. Surprise them by sending a gift to their home addresses directly.*

## TOBLERONE

Who doesn't love (a mountain of) chocolate? This Swiss classic, personalised with a name, is always a great surprise.

- Various sizes available: 100 grams, 200 grams, 360 grams and 4.5 kilos
- Classic wrapper with a personal twist

Space to add your logo

If you would like to express your appreciation, this gift offers space for a personal message.

## Puzzle

Doing jigsaw puzzles is back again! During the # Istayhome-period, jigsaw puzzles made their comeback. Old-fashioned entertainment in your own safe environment. Increase your puzzle joy by creating a puzzle where you inserted a hidden message for your team that can be read once the puzzle is finished!

- Available in various sizes: 30, 96, 120, 250, 500, 1000 and even 1500 pieces!
- Puzzles of up to 250 pieces will fit through the letterbox

## Tip

Show everyone that their effort is appreciated

*Those working from home may worry that their efforts aren't being seen. This is the perfect moment to take away those worries!*

## Did you know

that creating a personalised gift isn't time-consuming at all?

*YourSurprise is specialised in creating personalised gifts with a personal message on a large scale. We will even deliver each gift straight to the recipient's address.*

## TONY'S CHOCOLONELY CHOCOLATE GIFT BOX

This classic will go down a treat! With a fun message and funky personalised wrapper. Available in various flavours and themes.

- Perfect letterbox gift
- Available in various flavours: milk & caramel-sea salt
- Available in various themes

## TOTE BAG

Surprise your personnel with a personalised (and sustainable) tote bag. Perfect for carrying stuff when travelling to the office and back home. Make it even more special by filling the bag with working from home goodies, like a personalised notebook and pen.

- 100% ecologically grown cotton, mega sustainable
- Also available in black and white
- Also available as a set of three

[View this gift >](#)

## WATER BOTTLES

It's important to stay hydrated! Our water bottles are fun as well as practical and can be personalised, ensuring this handy gift will be greatly appreciated!

- Various types available, including our thermos mug and water bottles (luxurious, bamboo or aluminium)
- Our thermos mug will keep your drink warm for up to 6 hours. Our bottles will keep your drink cool for up to 24 hours and warm for up to 12 hours.

[View this gift >](#)

## MUGS

Give everyone their very own mug! The perfect way to see who each mug belongs to and a great way of making working from home more fun.

- Various types, shapes and sizes available, including our ceramic mugs, enamel mugs, curved mugs and small mugs.
- Most mugs are dishwasher- and micro-wave safe

# Tip

Make it personal  
(in a good way!)

*Add a personal message to each  
gift to show your appreciation*

# Tip

Include your employees

*Ask your employees for their  
ideas for a great gift, making  
them feel included.*

## BEVERAGES

Toast at a distance! Thank your employees, partners or clients for a great year with a delicious refreshment featuring a personalised label. Personal, unique and tasty!

- Provide your design for the personalised label or case lid
- Wooden case lid can be printed on wood or chromaluxe, or engraved
- Label can be personalised
- When ordering wine-, champagne- or beer gift sets, engraved glasses can be added

## PERSONALISED CHOCOLATES

Chocolate is always a good gift. Surprise your personnel with personalised chocolates, with a photo of one of the best moments at the office. It's the perfect gift to thank them for all their work from home.

- Personalization with logo or photo
- Edible print in full color.
- Delivered in a luxurious packaging

[View this gift >](#)

## SOCKS

Socks with the company logo, can you imagine? Yes, that's possible! Go for the confetti design or personalize the socks with a logo. Your employees will remember the office by wearing these socks at home.

- Can be personalised with your logo
- Perfect letterbox gift
- Wash at 30°C

## NOTEBOOK

Not a single good idea will be forgotten in 2021 with this fun personalised notebook. A practical gift for your employees, with plenty of space for all of their creative ideas.

- Leather notebook can be engraved with your logo
- Provide your design for the fully printed notebook: 312 x 239 mm, 300 DPI
- Perfect letterbox gift

[View this gift >](#)

# Tip

Don't feel the pressure.

*Giving gifts is not about remembering an important date, it's all about the gesture. Show your colleagues/employees that you think about them by creating a personal gift.*

## FACE MASK

Protect yourself and the people around you with this unique face mask. Give your employees or relations a personalised face mask with a logo or text. Be stylish and get around safely with a personalised mask.

- Available in one size (adjustable) or size M and L
- Washable at 60°C
- Please note: not suitable for medical use

Also available in black.

## PEN WITH ENGRAVING

A pen is a luxurious and stylish gift. You can personalize the high quality ballpoints or fountain pens with a name and/or a stylish symbol. Think of an important jubilee date of your fellow worker or intern for graduating.

- Available in different types, brands and colors
- Can be combined perfectly with a personal notebook
- Possibility to engrave your own logo
- Engraving can be done for both left- and righthanded people

[View this gift >](#)

## PERSONALISED SOAP

A nice soap will brighten up every kitchen or bathroom. This soap can be personalised with your own design, like photos and/or text. This gift is perfect, because every time you wash your hands, your brand will be visible.

- With a lovely smell of Kumquat and Bourbon vanilla
- Waterproof sticker
- To be personalised with your complete own design

[View this gift >](#)

## OLIVE OIL

Which relations do you want to surprise with this olive oil? You can design the bottle of olive oil completely how you want. With a photo and a name, this olive oil is a perfect gift for everyone's home.

- The best artisanal olive oil from Greece
- All natural, untreated and without any additional ingredients.
- Perfect to combine with a cutting board or a bottle of wine.

[View this gift >](#)

## MAGIC MUG

What's more fun than drinking your favorite drink out of a changing mug? With the unique magic mug, you can surprise someone personally with a photo, logo or even a collage. Create your unique and personal mug for all your relations or employees.

- Due to the special coating, this mug is not dishwasher safe and not suitable for the microwave.
- Magic effect, extra surprise!
